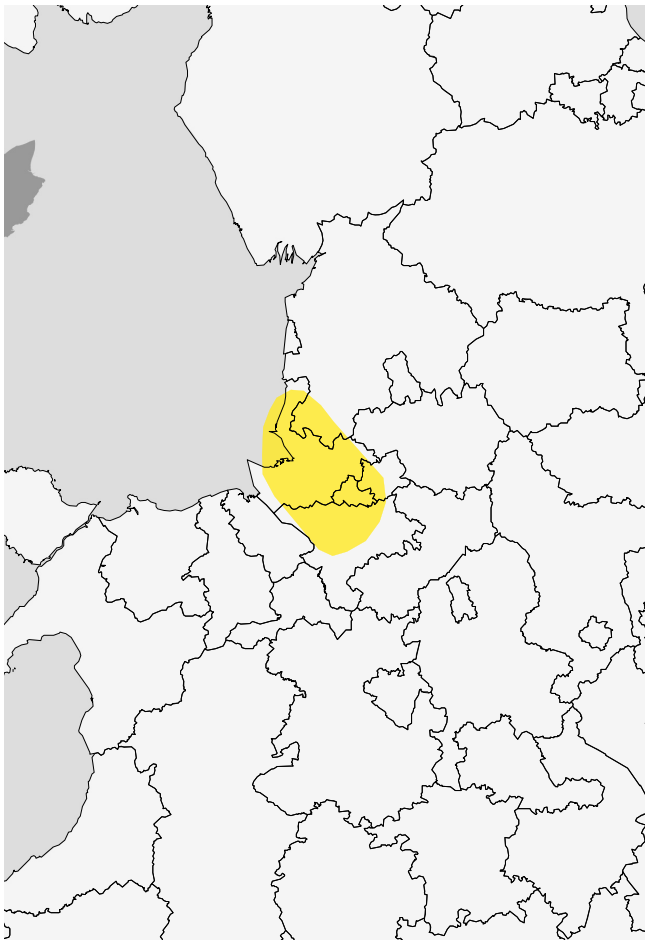
Yellow warning
Rain

Between
21:22 Sat 26 Aug 2023 and
09:00 Sun 27 Aug 2023



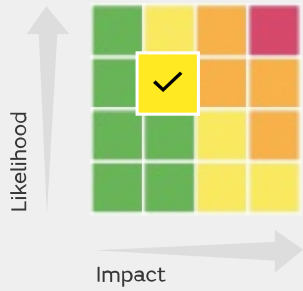
Further heavy showers are likely to cause some localised flooding and disruption on Saturday night

What to expect

- There is a good chance driving conditions will be affected by spray and standing water, leading to longer journey times by car and bus
- Delays to train services are possible
- Some flooding of a few homes and businesses is possible, leading to some damage to buildings or structures

Further details

Following heavy showers on Friday night that produced 30-50 mm of rain in places, further heavy showers and isolated thunderstorms are expected to affect a similar area on Saturday night and early Sunday morning. Whilst not all locations will see heavy rainfall, some places may see 25-35 mm of rain in 3-6 hours overnight. Showers will ease through Sunday morning and become largely dry.



Medium likelihood of low impacts
